BEAUTIFUL NATURAL

Petals

Venue Friendly Biodegradable

Charles Hudson's Wyke Manor Estate is the British centre for real flower confetti. Delphiniums and wildflowers are grown on the farm every summer, harvested by hand, naturally air dried and packed by hand to your bespoke wishes. Our real petal confetti has been used at the weddings of celebrities and Royalty, chosen for its beauty and its ability to biodegrade as naturally as blossom.

Imagine your confetti moment, with beautiful petals floating around you. It will be a magical photograph for you to treasure forever.

DELPHINIUM PETALS
