

# ***Everything's different this year – including our flower field!***

## **Thank you for buying admission tickets to The Confetti Flower Field 2020!**

Make sure that you bring your order confirmation email with you to the field – you'll need your order number to gain admission.

### **Before you travel –**

- **If you have any symptoms of coronavirus, or if you have been in contact with anyone that has the virus in the last 14 days, please do not visit.**
- **Please check our website or social media before you leave home for field updates.** This is especially important if the weather is wet and windy!
- **Please bring a hand sanitiser gel with you and use it regularly.**
- **Do not bring your pets** - registered disability assistance dogs are the only animals allowed in the Flower Field. DO NOT LEAVE THEM IN YOUR CAR. If you arrive with animals, you will be asked to leave.
- **Don't forget to bring sunscreen, a hat and water in hot weather or a coat and brolly if it's grey.** There is very little shelter in the field.
- **Please don't bring too much stuff with you!** (See below for the T&Cs of entry) Little ones in buggies and prams are, of course, very welcome – but be aware that you might struggle on bumpy, dusty or wet ground.

### **How to Find us: The Confetti Flower Field, Wick, Pershore, Worcestershire WR10 3PA**

Access will be signed from the B4084 - PLEASE FOLLOW THE SIGNS and not your satnav! If you are coming from Pershore you must take the second turning into Wick (Cooks Hill). If you are coming from Evesham, you must take the first turning into Wick. PLEASE DRIVE SLOWLY AND CONSIDERATELY. Do not wait across people's driveways, or block road junctions.

Unfortunately, due to the location of the field in 2020, we do not recommend walking to The Confetti Flower Field.

### **When you arrive –**

- **Please make sure you arrive within your timeslot.** If you arrive significantly outside your pre-booked time, entrance will be at our discretion, based on visitor numbers and the ability to maintain social distancing.
- **Please make sure that you have your confirmation email handy.**
- **You'll be directed into the field to get your tickets checked and then directed where to park.** This summer we will have two separate field entrances, so if you are meeting up with people, we suggest that you call them when you get inside the field!
- **Please tell the check-in staff if you require disabled parking, and they will direct you accordingly.**
- **Please take note of any one-way systems and safety signage in and around the flower field.** It is there to ensure the safe movement of everyone.

### **What to Expect –**

- Because the flower field was replanted to bloom later in the year, the flowers will not look the same as you may have seen when visiting in previous years. The delphiniums are much shorter than usual. However, we have also planted lots of cornflowers and native wildflowers – which are brilliant for attracting bees, butterflies, and pollinating insects – and a great area full of smiling **SUNFLOWERS**!
- The Confetti Café will be open this summer! However, to keep people safe, everything will be simplified and streamlined. There will be fewer choices than usual. We will offer a takeaway service of treats including tea, coffee, cold drinks, cake slices and tubs of lovely local ice creams.
- To help maintain social distancing and minimise touch contact points we will not have a viewing platform this summer. Our lovely Bessie Bus and Hector the Tractor are having a year's rest too.
- There will be bags of confetti and sunflowers for sale in the field, but sadly we are unable to sell delphinium stems this year. Our Artist in Residence, Hayley Reynolds, is back with her wonderfully colourful paintings and pictures.

# ***Everything's different this year – including our flower field!***

## **General Admission Terms to enable everyone to have a safe and happy visit:**

**Most importantly, DO NOT leave your home if you or anyone in your household has Coronavirus (COVID-19) symptoms. These are a cough, and/or high temperature, and/or loss of, or change in, your normal sense of smell or taste.**

When you visit you need to abide by the government's social distancing guidance:

- You should keep your distance from people outside your household. The government recommends that you keep two metres apart. Please do not crowd in on other visitors and please be especially careful and considerate in queues and busy areas.
- Bring a hand sanitiser gel with you and use it regularly. There is no running water in the flower field. Avoid touching your face.
- Read and comply with the signage in and around the flower field. It is there to ensure the safety of everyone.

**Be kind! We ask everyone to be kind, considerate and patient with our staff and fellow visitors.**

- Children under 16 must be accompanied by an adult.
- No smoking or vaping.
- Only registered disability assistance dogs are allowed in the Flower Field. Please leave pets at home.
- Please be careful when walking through the flowers. Keep to the mown pathways and please don't walk in between the rows. You will damage the flowers. Please help us look after the petal harvest.
- Cutting, picking, or digging up the plants is not allowed. Flowers and confetti are for sale at the marquees
- To protect all our crops, ball games and sports activities/equipment are not allowed in any of our farm fields. Bicycles, scooters, and large toys must be left in your car (or at your own risk at the entrance).
- Please do not bring barbecues, stoves or picnic chairs and furniture. No alcohol is allowed.
- Enjoy the peace and tranquillity of the countryside – please don't bring radios, music players and musical instruments.
- We're sorry but we only want to see birds flying overhead. Drones and other remotely controlled aircraft are not allowed in the flower field or over any of the Wyke Manor Estate.
- People come from all over the world to enjoy the flowers. Please be considerate in your behaviour. We retain the right to refuse admission or remove from the field anyone not behaving appropriately.
- There is no access to any surrounding fields. Please do not climb fences or hedges. Please do not walk in our farm crops.
- Finally, you may see some confetti pickers in the field harvesting the petals. Please ask their permission before taking their photograph.

We're really looking forward to welcoming you to our lovely field of flowers. We have worked hard to implement simple changes to keep everyone protected. But we need your help to enable us to open safely. Thank you and we look forward to seeing you in the flower field very soon!
