The Confetti Flower Field, Wick, Pershore, Worcestershire WR10 3NZ

Access will be signed from the B4084 (Pershore to Evesham road). We operate a one-way entry/exit system to the free carpark. PLEASE FOLLOW THE SIGNS and not your satnav!

If you are coming from Pershore you must take the second turning into Wick (Cooks Hill). If you are coming from Evesham, you must take the first turning into Wick. PLEASE DRIVE SLOWLY AND CONSIDERATELY. Do not wait across people's driveways, or block road junctions. There is NO PARKING in Wick village.

Access to the field is along single-track roads and bumpy farm tracks. These roads are not suitable for long, wide or low vehicles.

Unfortunately, due to the location of the field in 2019, we do not recommend walking to The Confetti Flower Field.

- The Confetti Flower Field is open to the public from 10am – 5pm every day from 28th June through until 7th July. There is no public access outside of these times.
- Most importantly – please note that there is at least a 200m walk from the car park to the flowers. Unlike in previous years, you cannot see the flowers from the carpark. If you are unable to walk very far, we do not advise that you visit the field in 2019.
- Please do not bring your pets. Registered disability assistance dogs are the only animals allowed on the farm.
- There is no smoking or vaping allowed in the flower field or on any of our surrounding land.

Please remember this is an outdoor event in a farm field: In hot weather it is very dry and dusty underfoot. On a rainy day it can be muddy. We recommend you wear appropriate footwear and clothing, including a hat and sunscreen on a sunny day. There is very little shade/cover in the field.

Disabled Access

In 2019 the car park is situated about 200m away from the flower field. As a result, unlike in previous years, you cannot see the flowers from the carpark. If you are only able to walk short distances, we are very sorry to say that we do not advise that you visit the field this summer. The pathway will be level and grassed, but it may be unsuitable for wheelchairs, walking frames and lightweight pushchairs/prams.

The Confetti Flower Field is a farm field and it is very bumpy and uneven underfoot. This can be challenging for those with limited mobility. Additionally, the soil is very soft, and it can either be very dusty or muddy. We advise that it is unsuitable for wheelchairs and walking frames.

However, a more intrepid visitor may still enjoy the view: There are grassed areas around the edge of the flowers and seating provided by the Confetti Café. A disabled toilet is provided. Wheelchair users are admitted free, but accompanying persons are charged at the normal rate. No wheelchairs are available for loan.

If you are planning a visit with family/friends with mobility issues we would recommend that you call us to discuss beforehand.

Getting Here on Public Transport

The nearest railway station is PERSHORE on the main First Great Western London line. Buses come to Pershore from Worcester and Evesham and drop you in Broad Street, Pershore. We recommend that you pre-book a taxi from the station/bus stop to the flower field. Due to the location of the flower field in 2019 there is no suitable walking route.

IMPORTANT! Taxis DO NOT wait at Pershore Railway Station or in the town. You must pre-arrange your taxi pick up. And don't forget to book your return journey to the station!
