

## Thank you for buying admission to The Sunflower Field 2021!

### Before you travel –

- **Most importantly, if you, or anyone from your household/bubble, displays any symptoms of Covid-19, please do not visit.**
- **Please do not visit if you have been instructed to self-isolate.**
- **Make sure that you bring your 5-digit order number from your confirmation email – you'll need your name and order number to gain admission.**
- **Please check our website or social media for field updates before you leave home.** This is especially important if the weather is wet and windy! However, we will only close the field in extreme circumstances.
- **Please bring a hand sanitiser gel with you and use it regularly.** There is no running water in the field.
- **Do not bring your pets** - registered disability assistance dogs are the only animals allowed in The Sunflower Field. **DO NOT LEAVE THEM IN YOUR CAR.** If you arrive with animals, you will be asked to leave.
- **Don't forget to bring sunscreen, a hat and bottled water in hot weather, or a coat and broly if it's grey.** There is very little shelter in the field.
- **There will NOT be a café in The Sunflower Field 2021.** You are welcome to bring a picnic! We ask that you bring picnic blankets to sit on, rather than bulky furniture. Alcohol is not allowed. Thank you.

### When you arrive –

- **You can use WR10 3PA as the postcode to direct you to us.**
- But as you arrive in the area, **please follow the yellow AA signage from the B4084 at Wick and not your satnav!** Please drive slowly on our village lanes.
- **Please make sure that you have your 5-digit order number handy.**
- **Your admission will be checked in your car and then you'll be directed where to park.**
- **Please tell the carpark staff if you require disabled parking, and they will direct you accordingly.**
- If you are meeting up with people, we suggest that you arrange to meet at the big top marquee in the grassed area to the left-hand side of the sunflower field.

We have a Flower Stall where you can buy plenty of lovely happy sunflowers! You cannot cut your own stems – this is not a pick-your-own event.

We also have a little Confetti Shop in the field selling our wedding confetti petals, flower seeds and local honey.

Our Artist in Residence – Hayley Reynolds – will be joining us again with her colourful creations.

As an outdoor event the risks of visiting us are very low. We recommend that you bring your own hand sanitiser along with you and use it regularly. There is no running water in The Sunflower Field.

Please respect that some people may still be cautious of groups and crowds so please be nice and give people plenty of space. Please be especially careful and considerate in queues and busy areas.

We have plenty of room so please make space! Thank you.
